

\$5000

JACKPOT JOKER

Wheel Spin

EVERY THURSDAY | DRAWS AT 7.30PM & 8.00PM

The jackpot Joker starts at \$500 and, if not won, increments by \$250 each week until it reaches \$5,000, when it must be won on the night.

How To Enter

From 5pm, members gain entry tickets by making a minimum \$10 beverage spend at the sports bar. If you spend \$20 or more in one transaction, you receive three entry tickets. The draws are at 7.30pm and 8.00pm

How To WIN!

Winners are invited to turn over one of four aces placed face down on the table. Whichever Ace's suit is turned over becomes the Double Winning Suit. Winners then spin the BIG CA\$H wheel. If the wheel flap lands on one of the two Jokers in the pack, you win the Jackpot! Otherwise, you win a cash prize or the chance to spin again. And if the cash prize is in the Double Winning Suit, you win DOUBLE the CA\$H! See overleaf for the prize amounts.

Conditions apply. Members only promotion. Members may only win one prize on the night. Notification-Trade Promotion: NTP/10156
